GRADUATION NOW VIRTUAL

Winton Prep has taken pride over the years in planning and offering Kindergarten and 8th grade graduations. These events that at times have been standing room only, have provided our students with heartfelt memories of the major transitions in their lives. This year due to the Corona virus, the graduations will need to be virtual. Stay tuned as we finalize plans to congratulate our 8th grade students and Kindergarten graduates in a new way!

ODE Graduation update: Governor DeWine reminded Ohio educators that they must ensure social distancing during any and all graduation ceremonies. The Ohio Department of Education and Ohio Department of Health today issued the following suggestions for local schools to have Virtual graduation ceremonies and drive- in ceremonies preferably.
